Dear Keith:

I want to thank you and commend you on the excellent legal services you provided in connection with the sale of my father's house and his estate planning. You have all the attributes I expect from a good lawyer: knowledge and experience, professionalism, integrity, strategic thinking, enthusiasm and responsiveness.

It was always a great comfort to me to know I could rely on your legal and business judgment. I especially valued your attention to detail, organizational skills and ability to draft the transactional documents in such a way that protected my father's interests.

On a more personal note, I very much enjoyed working with you. Your dedication, concern and interest in this matter, and your desire to help me as a client were so very much appreciated. I would highly recommend you to any of my colleagues. Thank you once again for everything! I consider you family!
