

Keith Black

Subject: FW: Estate Planning

To Whom It May Concern,

It is my pleasure to recommend Keith Black for all Estate Planning matters. My wife and I recently had two children and wanted to make sure they were covered in the event anything should happen to us. Mr. Black was extremely thorough, patient and walked us through every aspect of the process. He was very open and easy to speak with in regard to all matters. He not only performed in a very timely manner but he also went out of his way to do everything from our house in order to accommodate our needs.

If you are looking for a very knowledgeable attorney who clearly has a passion for his field then please reach out to Mr. Black. You will not be disappointed.

Sincerely,
Mat A
