

March 26, 2009

Dear Keith,

Thank you for working with me during the month of August 2008.

You were responsive to my needs & extremely knowledgeable & well versed in all facts of law as they applied to my concerns.

Accolades to you!!

You added a personal touch to our meetings and was always easy to reach. These gestures were much appreciated.

I wouldn't hesitate to call upon you for any future legal issues

Good luck! -
Rhodatt J
