Dear Keith:

“Highly recommend: I'm so lucky to have been referred to Keith D. Black to assist me with the administration of my mother's estate. Mr. Black was incredibly patient, knowledgeable and accessible. It took about a year to administer and settle the estate. Mr. Black was very attentive to my needs, and helped make a difficult experience more manageable. I will forever appreciate Mr. Black for his guidance. Fantastic attorney. Very well priced too. With estate planning and estate administration - you can't find a better attorney. I highly recommend. You're in excellent hands.”
